With 30 local teams across the country, decades of leadership and innovation, and more than \$10 billion in giver-recommended grants to 63,000 charities, NCF is comprised of some of the brightest, most passionate experts in charitable giving today. We work with individuals and families to help them save taxes, reduce paperwork and hassles, and send more to charity than they ever thought possible.

1 Use a Donor-Advised Fund

[Learn more at ncfcalifornia.com/daf](https://ncfcalifornia.com/daf)

A Giving Fund at NCF (also known as a donor-advised fund) works like a charitable checking account, but instead of depositing money and writing checks, you contribute all types of assets (cash, stocks, non-cash assets), receive an income tax deduction at the time of the donation, and then go online to recommend grants to your favorite charities.

POWERFUL BENEFITS, LIKE-MINDED VALUES

- Simple – Reduce paperwork, receipts, and administration
- Efficient – Send less to taxes and more to charity
- Convenient – Manage all your giving online from any device
- Christian – Enjoy service from a like-minded NCF team
- Reliable – Our team ensures grants meet IRS standards
- Fun – Recapture the joy of giving with your entire family

All your giving,
online, anywhere

2 Tax-Smart Strategies for Non-Itemizers

With the passage of the Tax Cuts and Jobs Act on December 22, 2017, it is estimated that as many as 90% of taxpayers may not itemize their deductions, and instead will use the dramatically increased standard deduction. However, with wise planning, many of these families can nonetheless capture some level of tax benefit with the following strategies.

Bunching charitable contributions

- Instead of giving \$20,000 per year, give \$40,000 every other year
- Give to same charity(ies)
- “Reload” donor-advised funds (DAFs)
- Use a donor-advised fund (DAF) to capture an immediate charitable deduction, and then grant distributions to charities over time

Make Qualified Charitable Distributions (QCDs) from IRAs

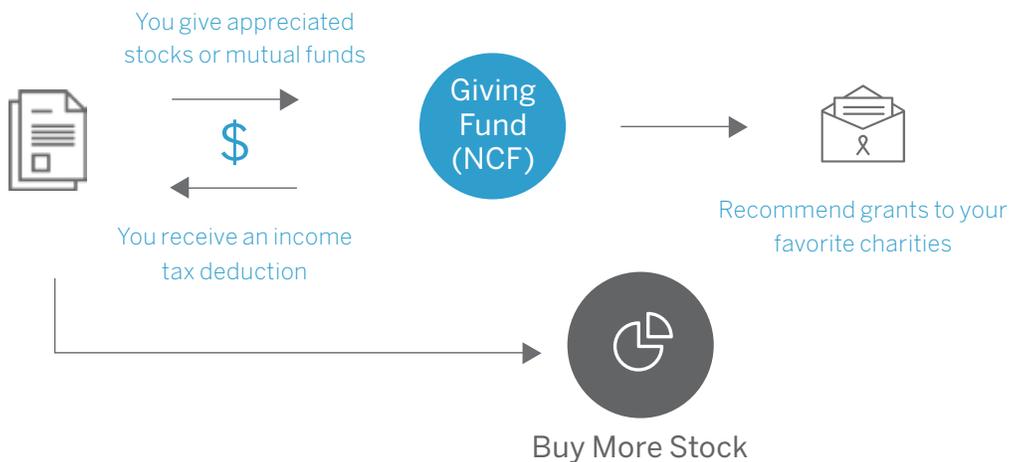

- Charitable IRA Rollover
- Make Qualified Charitable Distributions (QCDs) directly to charity
- Limitations:
 - Must be 70 ½ or older
 - Limited to \$100,000 per year
 - Can only be made to a public charity (no DAFs, CRTs, or CGAs)
- Distributions to a single-charity fund with a donor-advised fund sponsor qualify as a QCD

3 Giving Publicly Traded Stock

[Learn more at ncfcalifornia.com/stock](http://ncfcalifornia.com/stock)

If you are currently writing checks to charities, but also have appreciated stocks or mutual funds in a taxable investment portfolio, you likely have a significant opportunity to pay less tax, give more, improve your personal cash flow, and simplify your giving. The key is to donate these before the sale to reduce or eliminate taxes.

TRADITIONAL GIVING USING CHECKS

1. Start with \$10,000 in cash
2. Write checks to charities for \$10,000
3. Receive a \$10,000 charitable deduction
4. Keep track of every tax receipt manually
5. Continue to pay capital gains tax in your portfolio (now or later)

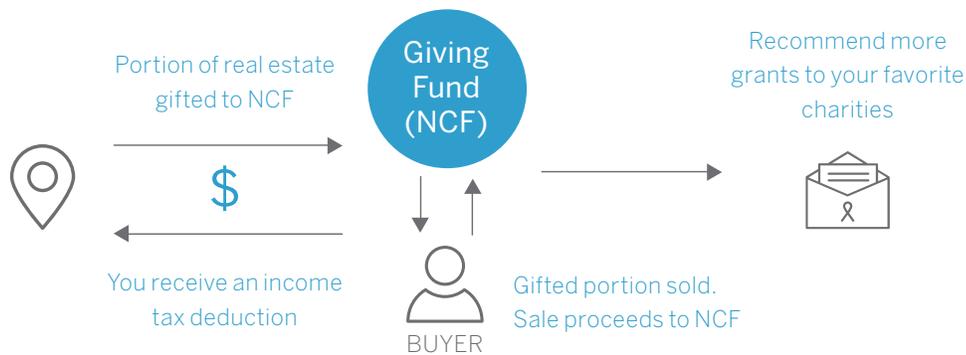

MORE GIVING USING STOCK

1. Donate \$10,000 of stock into your Giving Fund
2. Receive a \$10,000 charitable deduction
3. Shares are sold by NCF tax-free, with proceeds placed in your Giving Fund
4. Re-fund your portfolio using \$10,000 cash (reset basis!)
5. Use tax savings to give more!

4 Giving Real Estate Before a Sale

Learn more at ncfcalifornia.com/real-estate

NCF allows you to give interests in appreciated real estate (raw land, residential, and/or commercial real estate) to NCF prior to sale. This strategy avoids capital gains taxes on the gifted portion, and you will likely receive an income tax deduction for the appraised value of the gift, freeing up additional cash flow for more giving.

THE BENEFITS OF GIVING BEFORE THE SALE

- Maximize your liquidity event by preserving the full fair market value of the gifted asset for charitable impact
- Avoid or reduce capital gains taxes on the gifted portion, moving more dollars to charity
- Maximize your sale by leveraging the deductions reserved for non-cash assets (up to 30% of AGI)
- Reduce current-year income taxes via a larger charitable deduction, increasing cash flow

THE RESULTS OF GIVING BEFORE THE SALE

This table shows the impact of giving a \$1,000,000 piece of land with a \$100,000 cost basis and no debt.

	Family	Taxes	Charity
Sell now, give cash later	\$311,136	(\$51,936)	\$740,800
Give property before the sale	\$420,000	(\$420,000)	\$1,000,000
Difference	\$108,864	\$368,064	\$259,200

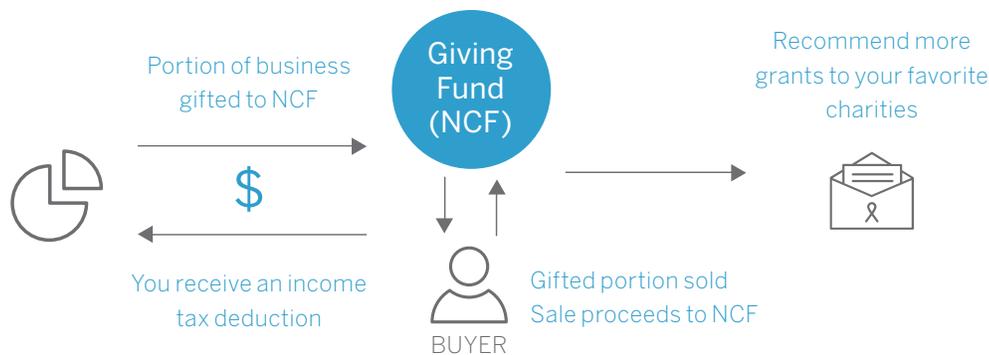

As a result of giving assets vs. giving cash, **\$259,200 MORE** would go to your favorite charities and **\$368,064 less** in taxes!

5 Giving Privately Held Stock Before a Company Sale

Learn more at ncfcalifornia.com/company-sale

Donate a non-voting interest in your business to your Giving Fund at NCF before the sale, receive a substantial tax deduction, reduce or eliminate capital gains taxes on the gifted interest, and convert those tax dollars into more giving to your favorite charities.

THE BENEFITS OF GIVING BEFORE THE SALE

- Maximize your liquidity event by preserving the full fair market value of the gifted asset for charitable impact
- Avoid or reduce capital gains taxes on the gifted portion, moving more dollars to charity
- Maximize your sale by leveraging the deductions reserved for non-cash assets (up to 30% of AGI)
- Reduce current-year income taxes via a larger charitable deduction, increasing cash flow

THE RESULTS OF GIVING BEFORE THE SALE

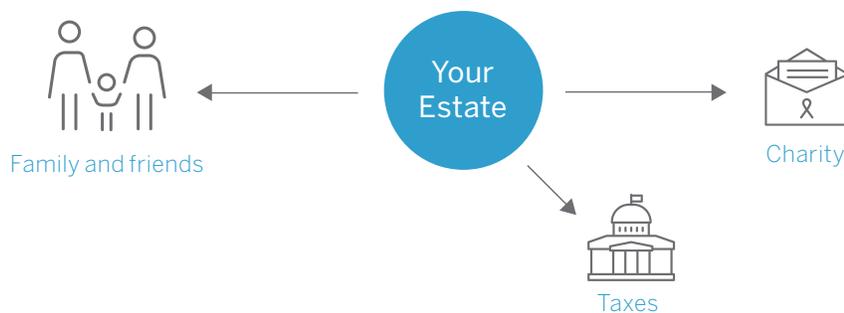

This table shows the impact of giving a 20% non-voting interest in a \$5M C-corp (with a \$100,000 cost basis) prior to the sale.

	Family	Taxes	Charity
Sell then, give cash	\$3,172,499	\$1,109,741	\$717,760
Give stock then sell	\$3,291,040	\$708,960	\$1,000,000
Difference	\$118,541	\$400,781	\$282,240

As a result of giving assets vs. cash, **\$282,240** more would go to charity while increasing net cash flow by **\$118,541** for more giving, saving, or investing!

6 Zero Estate Tax Planning

Upon death, there are only three places assets can pass: family/friends, charity, or the government. For families with exposure to the federal estate tax, wise and thoughtful planning can completely eliminate the estate tax liability and enable them to redirect those taxes for charitable impact.

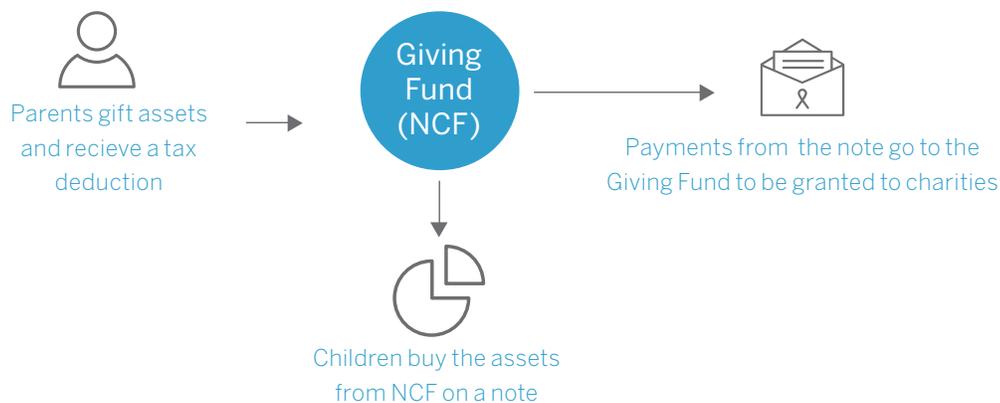

CONSIDERATIONS FOR ELIMINATING ESTATE TAXES

1. Quantify desired lifestyle for matriarch and patriarch: How much do the matriarch and patriarch need to support their lifestyle for the remainder of their lifetime? What is their financial finish line?
2. Determine and quantify an appropriate inheritance for children and grandchildren: What amount of inheritance is more likely to be a blessing than a curse?
3. Secure the target inheritance with appropriate gift and estate planning strategies and techniques: Often, basic estate planning strategies are sufficient to secure an appropriate inheritance and avoid estate tax.
4. Gift or bequest "excess wealth" to charity and eliminate estate tax completely: Minimize annual income taxes by maximizing lifetime charitable gifts.

7 Creatively Pass Your Business to Your Kids

Rather than creating a wealth-transfer strategy for the family business, gift the business to your Giving Fund at NCF. Children working in the business can request to purchase the business from NCF, and the proceeds are available for you to grant to your favorite charities.

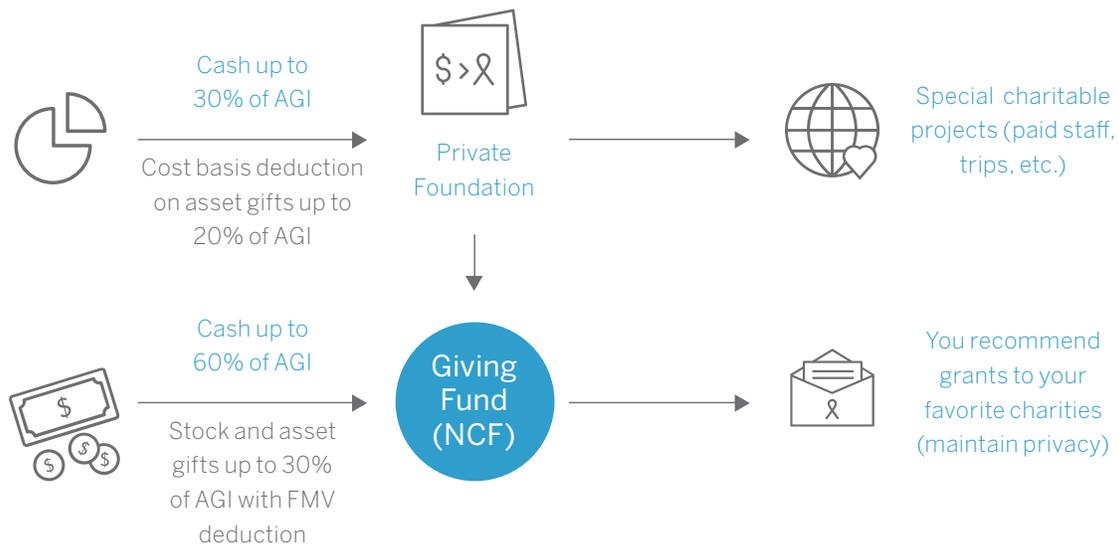

BENEFITS OF GIVING YOUR BUSINESS AWAY

- Create a charitable deduction with the business interest, rather than directly transferring it to kids or employees in a taxable sale or buyout
- The children can buy the business back from NCF and the proceeds go to the charities you love through your Giving Fund at NCF
- Maximize the liquidity event by preserving the fair market value of the gifted asset for charitable impact
- Avoid or reduce capital gains taxes on the gifted portion, moving more dollars to charity
- Use charitable deductions reserved for non-cash assets (up to 30% of AGI useable against income for six years total, including the year of the gift)
- Reduce current-year income taxes via a larger charitable deduction, increasing cash flow

8 Use a Donor-Advised Fund With Your Private Family Foundation

We can provide greater tax savings, easier administration, and a variety of ways to make your giving more flexible, efficient, and enjoyable.

BENEFITS

- Significant tax advantages for non-cash assets
- Protect giving from public disclosure and solicitation
- Lower costs and easier administration
- Greater control over your legacy and liability
- Maintain your ability to fund special projects
- Use a Giving Fund to encourage generosity with the next generation
